

Dear colleagues, ladies and gentlemen,

We are pleased to invite you to our **online annual meeting on Friday, June 25, 2021**.

Although we will not be able to meet live again this year, you may be interested in attending this meeting if...

- You would like to participate in improving interprofessional work in all areas of healthcare;
- You want to better understand why interprofessionality is important and you want to be inspired by practical reports from colleagues working interprofessionally;
- You are looking for an active exchange with committed colleagues from all areas of healthcare and want to gain new impulses for your daily work.

Get involved with your ideas and questions. We look forward to hearing from you!
